

22 January 1963

Dear Tom:

In confirming remittances to Lockheed thru 30 September 1962 for our auditor, you noted that a difference existed of \$36,270.23 between Contracts SC-58 and SC-61. *See*

This letter is to confirm that your records are correct and that the error on our records had been detected and corrected subsequent to 30 September 1962, and thus had not been picked up by our auditor at the time the confirmation listing was prepared.

Very truly yours,
